April 18, 2003 - The Legal Information System RIS informs

Regarding cenlaw celex cenjur, we would like to draw your attention to two further innovations: cenjur CD-ROM (closes the online/offline information gap and includes links to the EU's online systems...

February 25, 2003 - Why is EU Community law so expensive?

asks journalist Christiane Schulzki-Haddouti in Telepolis and writes: The only alternative so far is "Cenlaw" with the "Cenjur" CD-ROM from SEIDL.

July 11, 2002 - MEP Markus Ferber:

"We must leave no stone unturned in making well-founded information accessible to the public - a project undertaken by the legal-political information magazine "cenjur" and the CD-ROM "cenlaw" follow... I am confident that the legal-political information magazine "cenjur" and the "cenlaw CD-ROM" will bring the common Europe closer to both young lawyers and interested citizens, and, if necessary, remind them of the past, if current practice proves problematic.

January 30, 2002, Member of Parliament Peter Hintze:

I hope that the European media published by SEIDL, "cenjur CE legal-political information magazine and "cenlaw CD-ROM," will contribute in their own way to making a larger and, hopefully, stronger Europe more transparent, not only for legal practitioners but for all interested parties..

June 7, 2000 - Düsseldorf cartel judge and judge of the Cologne Regional Court:

"...with 'cenlaw,' the same target audience is addressed as with 'SEIDL-EuroLex,' and "cenlaw" is suitable to the to seriously compete with the previous work "SEIDL-EuroLex"..."

POLITICAL EDUCATION ONLINE about cenjur and cenlaw:

our Law in Europe SEIDL offers assistance with access to EU (legal) information through its "cenjur" and "cenlaw" services. cenjur has been accredited by the EU since 2001 and reports from the European Parliament on current political and legal European issues. Links: Numerous links to European topics - Up-to-date: current - Design: clear presentation.

August 30, 1999: Rohrlisch, editor of the publisher's Top 5 Legal and Practice publications

cenlaw is always up-to-date; the information is, so to speak, "fresh off the press." Current project: "A Forum for Europe's Lawyers." This provides lawyers who primarily deal with European law with a free opportunity to present themselves to a broad audience. present. Interested? Take a look, folks!

February 1999 - Marion Caspers-Merk - now Federal Government Commissioner for Narcotic Drugs:

The cenlaw celex CD-ROM has already proven very useful in my parliamentary work. With the help of cenlaw, it is possible to understand and document complex European processes in detail. As an environmental policy expert, I am particularly interested in the current status and progress of European environmental directives. Here, cenlaw offers diverse research options with a high

success rate. I appreciate the reference to internet addresses as an additional service, as it enables me and my staff to work more effectively online. rt page with information about the European Union and the Euro. You will find a wealth of useful information presented clearly.

January 1999 - Hermann-Josef Seggewiß, Journalist
CD-ROM "cenlaw" leaves hardly any question unanswered

Wolfgang Endres, St. Blasien Study Center

Although another project is currently keeping me quite busy Since it's been taken up, I've already taken a look at the search options out of curiosity. My initial feedback: This service is so clear, well-organized, and engaging that I spent much more time with it than my schedule allowed...

SEIDL on cenlaw:

The cenlaw celex CD-ROM, with its authentic and authoritative data content, is ideally suited as a teaching CD-ROM for universities and secondary schools.

Extensive search ideas provide search options. And finally: the internet addresses of the most important European servers are included, stored in a separate HTML file on the CD-ROM, ready for your browser.

Get started – test cenlaw yourself. Check whether and when directives are transposed into national law. Check the institutions, research the working methods of the Commission on the cenlaw celex CD-ROM.
